

## **Lend Your Voice to #MakeIndiaSafe**

*Every single minute matters, Every single child matters, Every single childhood matters.*  
~ Kailash Satyarthi, Nobel Peace Laureate

Lend your voice to make India safe again for children and strengthen and support the ones who have been silenced. Every action you take will be a step towards creating a safe India where every child is free, safe and educated. The actions you undertake can go a long way in giving them the future they deserve.
